## **St. Luke's and Roosevelt Hospitals Officially Opens West Park Medical Group Primary Care Service in Midtown Manhattan**

*State-of-the-Art Medical Group Conveniently Relocates to 57<sup>th</sup> Street and 7<sup>th</sup> Avenue*

**New York, NY – June 30, 2011** – St. Luke's and Roosevelt Hospitals has officially opened its' West Park Medical Group (WPMG) primary care service in midtown Manhattan with a ribbon-cutting ceremony today. With the opening of this office, St. Luke's and Roosevelt Hospitals will now appeal to both Westside and eastside residents. This new convenient location is on the 15<sup>th</sup> and 16<sup>th</sup> floors at 200 West 57<sup>th</sup> Street across from Carnegie Hall and offers more state-of-the-art medical specialties than at its' previous Westside office.

West Park Medical Group specializes in primary care for adults (internal medicine) and primary care for children (pediatrics). The groups has expanded and now offers cardiology/ hypertension, dermatology, allergy/asthma, gastroenterology, nephrology, nutrition, ophthalmology, wellness care, head and neck/ENT care, podiatry, psychiatry and psychotherapy. Physicians at West Park Medical Group are of the highest caliber with state-of-the-art training, and background. State-of-the-art technological medical equipment and various patients' screenings are performed on-site.

“We have always maintained a great closeness with the people of Manhattan,” said Frank J. Cracolici, President of St. Luke's and Roosevelt Hospitals. “Relocating to this new space near Carnegie Hall is very appealing for almost anyone living and working in Manhattan.”

-- more --

Physicians of West Park Medical Group are all full-time employees, affiliated with St. Luke's and Roosevelt Hospitals and enjoy all of its accompanying hospital support. As an important entity, same day appointments can be made and West Park Medical Group offers online appointment scheduling. All WPMG doctors are board certified in their specialty and strive to provide respectful and compassionate care to their patients.

“High quality medical care which is readily accessible is critical for New Yorkers,” said Adam Henick, Senior Vice President of Ambulatory Care and Medical Enterprise at Continuum Health Partners. “West Park Medical Group has a forty-year history of offering a wide range of primary and specialty services in its new expanded location on 57th Street.”

Hours of operation at this new location are Monday through Thursday (8am to 7pm), Fridays (8am to 6pm) and Saturdays (9am to 1pm). West Park Medical Group is accredited by the Joint Commission on Accreditation of Healthcare Organizations, a certification that is a nationwide symbol of quality, reflecting an organization's commitment to meeting rigorous performance standards.
