Celebrating its 5th anniversary, the Continuum Cancer Centers of New York Golf Classic drew more than 100 golfers to Manhattan Woods Golf Club in West Nyack, New York, on October 6, 2008, and raised more than \$350,000 for cancer programs. Since its inception in 2004, the event has raised more than \$1.4 million for research, education and patient care.

After an enjoyable day on the links, attendees were treated to dinner and a silent auction, led by committee member Gary Levy and former New York Giants Brian Kelley and Howard Cross. Louis B. Harrison, MD, Clinical Director, Continuum Cancer Centers of New York, was the event chair, and sponsors included The Chasanoff Foundation, Crestview Partners, The Diller-Von Furstenberg Family Foundation, Tom and Suzanne Murphy, Sr., TD Bank and Union Square Diagnostic Imaging.
